

To members of the Committee,

I oppose bill **H.B. No. 5408** AN ACT CONCERNING THE PRESENTATION OF A CARRY PERMIT.

Just carrying a gun whether open or concealed should not be reason to question, pull over, or detain for permit or ID as a citizen of Connecticut or anyone in the United States of America for that matter, We have the Right to walk, ride, drive, or even just sit and enjoy the day like everyone else without being profiled or questioned for exercising those Rights just like people of all race, religion, or orientation do. If we do not look like other people it does not give justice to someone to question us without committing a crime, we are law abiding people and deserve to be treated as such and not discriminated against for it!

Please do not let other people BULLY you into going against the people and doing us wrong Vote NO.

Thank you
